

# JOIN THE *Asian Chamber of Commerce*

Established in 1986, The Asian Chamber of Commerce (ACC), formerly known as the Pacific and Asian Chamber of Commerce of Nevada was formed to serve and represent the professional and business interests of Nevada's growing Asian Pacific Americans. ACC, a non-profit corporation, was founded with the primary goal of economic growth for its membership. Our goal is to become a major forum and significant economic force in bringing about political, social and economic parity for Nevada's Asian Pacific American community. The ACC is a conduit of business opportunities and a broker of information and resources for Asian-Pacific American entrepreneurs. Membership is open to any business or professional person subscribing to our goals and objectives.
