

# **BEST PRACTICES**

## **FOR CLEANING AND DISINFECTING YOUR HOME & OFFICE**

Based on over 20,000 homes and offices cleanings we've performed, here're Superb Maids' recommendations for sanitizing your home from COVID-19:

### **Clean**

Use soap and water to dislodge the viruses and bacteria.

### **Disinfect**

Use 70% alcohol, bleach, or hydrogen peroxide to neutralize the viruses.

### **Don'ts**

Don't forget protection: gloves and mask. Don't use ammonia or vinegar.
