

In times where “normal” changes daily and Nevadans across the valley have had to spend more time at home, the work of the Las Vegas Asian Chamber of Commerce though changed has continued incessantly. From helping our member businesses secure PPP, EIDL, loans, PETS, CRAG, and Tri Chamber Small Business Stabilization grants, to hosting virtual webinars, educational training programs for businesses maneuvering the guidelines and restrictions of the pandemic to providing virtual luncheons, virtual Meet and Greet Judicial Candidates’ night, the LVACC has continued to work on behalf of Asian businesses and Las Vegas small businesses alike.

It could not have been accomplished without the support of its members and sponsors that support our pro-business mission. The Las Vegas Asian Chamber of Commerce Board of Directors would also like to take this opportunity to thank and acknowledge the following entities that stepped up during the COVID-19 crisis in championing the Las Vegas Asian Chamber, Las Vegas businesses and community.
