

## WOMEN OF PURPOSE - WOMEN OF EXCELLENCE: IN TECH

Hosted by the University of Phoenix Hawaii & Las Vegas Campuses

Join us as we learn how inspiring and action-oriented female leaders in the field of technology are opening doors, creating a legacy, and supporting women within their organizations, networks, and the community at large.

### Panelists

**Liz Bacus** *Project Engineer, Integrated Security Technologies; dual UOPX alumni (BS, Communication; MBA)*

**Angeline Cosca** *Chief Information Officer, Steinberg Diagnostic Medical Imaging*

**Maria Sexton** *Chief Information Officer, University Medical Center of Southern Nevada*

### Moderator

**Stephanie Benoit-Kurtz** *Director of Cybersecurity, Station Casinos; Lead Faculty, College of Business & IT, University of Phoenix*
