The mission of DISCOVERY Children's Museum is to foster a welcoming, vibrant, and inclusive environment where all are invited to engage in playful and educational experiences that ignite a lifelong love of learning.

As a premiere educational partner in the community, we will champion collaboration that inspires every child to become an innovative thinker through the joy and wonder of hands-on DISCOVERY.

DISCOVERY Children's Museum at the Donald W. Reynolds Discovery Center is a not-for-profit 501 (c)(3) educational institution operating through private donations, daily admission fees and annual membership purchases.

Built for all children.

DISCOVERY Children's Museum is three stories and 58,000 square feet of colorful imagination designed to instill a deep and lasting thirst for knowledge in every child, regardless of economic or cultural background.

DISCOVERY Children's Museum has nine themed interactive exhibits and a traveling exhibition gallery. Children can hunt for clues, learn about eco-friendly practices, perform a skit on stage or work behind the scenes, and engage in STEAM-based education through our new makerspace, DISCOVERY Lab.

We exist for the children.

Founded as a nonprofit educational institution, DISCOVERY Children's Museum opened its doors in 1990. Thanks to the generosity of our community and supporters like you, the museum is now bigger and even better. Your continued support is important as we work to ignite a lifelong love of learning in all children. For information on how you can contribute, visit DiscoveryKidsLV.org.

Birthdays are better here.

Award-winning Birthday Experience packages offer plenty of excitement, including unlimited museum use for the day, party favors, cake and ice cream, and more. Make it a birthday to remember with a birthday at DISCOVERY Children's Museum.

Join us with a membership.

Enjoy a year of discovery. Family memberships offer unlimited museum access, as well as exclusive invitations to exciting exhibits and special events. Join today and visit free all year.

Our award-winning educational programming includes workshops, demonstrations, and special events related to science and nature, arts and culture, and early childhood development.

And because there's always something new to see and do every day, there's no limit to the fun, and no limit to the learning.

Volunteer at DISCOVERY.

Kids learning through play is what DISCOVERY Children's Museum is all about. The rest of us have an opportunity to be part of that through volunteering.

As a volunteer, you can play an important role in determining the quality of each visitor's experience at the museum. You can support the museum's mission in many different ways, by participating in community outreach and special events, interpreting exhibit content, and helping with behind-the-scenes projects.

For more information on how you can volunteer, contact us at 702-382-3445 or email volunteer@DiscoveryKidsLV.org
