

In our continuing recognition and support of veterans, veteran owners/businesses, veteran organizations, and veteran private sector work programs, we will highlight one organization/company each quarter.

Our first organization is **The Military Order of the Purple Heart Chapters 711 and 730** serving Clark county. Members of the Chapters were awarded the Purple Heart for being wounded in combat and they help all veterans. The Chapters purchase support dogs for veterans, and specialized equipment, (such as: phones for the hearing/vision impaired, special furniture, computers, etc.) not covered by, or very difficult to obtain, from the Department of Veterans Affairs. We also we provide food, clothing for veterans and their families, help with paying house/apartment rent, car repairs, as well as helping with filing claims for veteran benefits. The Chapters are able to accomplish all of these with the support of the community through donations from corporations, businesses and individuals.

Chapter 730, with the help of the City of Henderson, established Purple Heart Plaza in downtown Henderson where pavers are placed to honor all veterans that served.

To order a paver please go to [www.purpleheart730.org](http://www.purpleheart730.org).
